## LAVFW

Here we are again. Vacations are over and school is in progress. Bob and Debbie Young made it back from the National Convention safely. Thank you all for the teamwork from the VFW, Men's Aux., and Ladies Aux. for purchasing our new upright freezer for our Post. Kudo's to Marsha and Glen Martz and the Ladies Aux for purchasing new shelving for our spices, etc. Purchase your certificate to have your portrait done. Funds raised will be used to help cover our canteen chairs. Encourage friends and neighbors to get their portraits done as well. Labor Day is a nice day to raise money for VFW National Home by donating \$5 to pour a bucket of water over your own head or someone else's. All in Fun for a good cause. District 7 School of instruction is 8/31 at the Crystal River Post. Nellie and Jack Beverwyck we will miss you. Please attend meetings whenever possible, because only by working together can we make and accomplish our goals to help our veterans. Debbie Young, you are doing a great job in Membership. Thank you all.

Patricia Young  
President

## COMMANDER

Greetings, A new month is upon us which means we need to continue to plan our programs. I have been to the School of Instruction, not much new!

Things seem to be going well at the post. Everybody seems to be enjoying the new jukebox. The Ladies cleaned the old closet out of the kitchen, and installed a new metal shelf unit. We have a new upright freezer in the kitchen. Thank you Ladies and Men's Auxiliary for chipping in, that's Teamwork!

The Ladies had a field day to clean the kitchen cabinets, on Aug. 9, and in October they want to do a fundraiser to redo the chairs in the canteen. (My gals, go girls!) We have had some talks with VFW members and the Men's Auxiliary about "dressing up" the front, by the door; more on that later. A big THANK YOU to Anita, Bob C., Shorty, Mary, and the Bingo crew, great job guys! And, to Russ C. for this newsletter, thanks Russ.

Please check the board at the post for dates and times of upcoming events and meetings. (District, Dept, etc.)

Cmdr. Bob Young

## MAVFW

My New York excursion for this year is over and I'm glad to be back. I have missed out on some of the projects the Men's Auxiliary have done, but thanks to all my officers for their commitments while I was absent. Duane Wilcox and I attended school of instruction on August 9th. Many thanks to the ladies auxiliary on cleaning the kitchen and purchasing a new spice shelf. Men's Auxiliary purchased 3 new trash cans for the kitchen this month. Looking forward to getting more projects done with the Post and Ladies Auxiliary.
